
AE Bridge End-User License Agreement

This End-User License Agreement ('EULA') is a legal agreement between you and Sole Proprietor **Andrew Ryan Cohen** ('Licensor').

This EULA governs your acquisition and use of AE Bridge software (the 'Software') supplied directly by the Licensor or indirectly through an authorized reseller or distributor (a 'Reseller')

Please read this EULA carefully before completing the installation process and using the Software. It provides a license to use the Software and contains warranty information and liability disclaimers.

If you register for a free trial of the Software, this EULA will also govern that trial. By clicking 'accept', installing, or using the Software, you confirm your acceptance of the Software and agree to be bound by the terms of this EULA.

If you are entering into this EULA on behalf of a company or other legal entity, you represent that you have authority to bind that entity and its affiliates to these terms and conditions. If you do not have such authority, or if you do not agree with the terms and conditions of this EULA, do not install or use the Software and do not accept this EULA.

This EULA applies only to the Software supplied by the Licensor, regardless of whether other software is referred to or described herein. These terms also apply to updates, supplements, Internet-based services, and support services for the Software, unless separate terms accompany those items on delivery. If separate terms apply, those terms control for the relevant item.

License Grant

The Licensor hereby grants you a personal, non-transferable, non-exclusive license to use the Software on your devices in accordance with the terms of this EULA.

You may install one copy of the Software per licensed user. In addition, you may install one copy on one alternate computer for use solely by the same licensed user. You are responsible for ensuring that your devices meet the minimum requirements of the Software.

You are not permitted to:

1. edit, alter, modify, adapt, translate, or otherwise change the whole or any part of the Software; combine the Software with, incorporate it into, or permit it to become incorporated into other software; decompile, disassemble, reverse engineer, or attempt to derive source code from the Software, except to the extent that applicable law expressly permits such activity;
2. without the Licensor's prior express written consent, assign your rights or obligations under this EULA, redistribute, encumber, sell, rent, lease, sublicense, or otherwise transfer your rights to the Software;
3. use the Software in any way that breaches any applicable local, national, or international law or regulation; or
4. use the Software for any purpose that the Licensor reasonably considers to be a breach of this EULA.

The license granted under this EULA is limited to the rights expressly stated above. No other rights are granted by implication, estoppel, or otherwise.

Intellectual Property and Ownership

The Licensor shall at all times retain ownership of the Software as originally downloaded by you and all subsequent downloads of the Software by you.

The Software, including its copyright and all other intellectual property rights of whatever nature, together with any modifications made to it, is and shall remain the property of the Licensor.

The Licensor reserves the right to grant licenses to use the Software to third parties.

Disclaimer of Warranties and Limitations of Liability

To the maximum extent permitted by applicable law, the Software is provided 'as is' and 'as available'. The Licensor makes no warranty that the Software will meet your requirements or operate under your specific conditions of use. The Licensor makes no warranty that operation of the Software will be secure, uninterrupted, error-free, or free from loss or corruption of data.

You must determine whether the Software sufficiently meets your requirements for security, reliability, and uninterrupted operation. You bear sole responsibility for, and all liability arising from, any loss incurred because the Software does not meet your requirements.

The Licensor will not, under any circumstances, be responsible or liable for the loss of data on any computer, storage device, project, media file, or other information storage system.

Under no circumstances shall the Licensor, or the Licensor's directors, officers, employees, contractors, or agents, be liable to you or any other party for indirect, consequential, special, incidental, punitive, or exemplary damages of any kind, including lost revenue, lost profits, loss of business, loss of data, or business interruption, resulting from this EULA or from the furnishing, performance, installation, or use of the Software, whether due to breach of contract, breach of warranty, negligence, or any other legal theory, even if the Licensor has been advised beforehand of the possibility of such damage.

To the extent that applicable law limits the Licensor's ability to disclaim any implied warranties or limit liability, this disclaimer and limitation shall be effective to the maximum extent permitted by law.

Limitation of Remedies and Damages

Your remedy for a breach of this EULA or of any warranty included in this EULA is correction or replacement of the Software. The choice of whether to correct or replace the Software shall be solely at the discretion of the Licensor.

The Licensor reserves the right to substitute a functionally equivalent copy of the Software as a replacement. If the Licensor is unable to provide a replacement or substitute Software, or to correct the Software, your sole alternative remedy shall be a refund of the purchase price paid for the Software, if any.

Nothing in this EULA excludes or limits any liability or remedy that cannot lawfully be excluded or limited under applicable law.

Termination

This EULA is effective from the date you first use the Software and shall continue until terminated. You may terminate it at any time by providing written notice to the Licensor.

This EULA will also terminate immediately if you fail to comply with any term of this EULA. Upon termination, the licenses granted by this EULA will immediately terminate, and you agree to stop all access to and use of the Software and to delete or destroy all copies in your possession or control.

The provisions that by their nature are intended to continue after termination, including provisions concerning ownership, disclaimers, limitations of liability, remedies, and governing law, shall survive termination of this EULA.

Governing Law

This EULA, and any dispute arising out of or in connection with it, shall be governed by and construed in accordance with the laws of [insert governing jurisdiction], without regard to its conflict-of-laws rules.

Before distributing this EULA, the Licensor should complete the governing jurisdiction and have the final terms reviewed by qualified legal counsel.

Acknowledgment

By installing, accessing, or using the Software, you acknowledge that you have read this EULA, understand it, and agree to be bound by its terms.
